This is not at the high school but across the street!

If coming from the north towns, you can take rte 5 west or the Thruway to the Milestrip exit and head to the lake and head west where the road splits take 75, towards the left. You will pass St. Francis football stadium on your left and then you will see the church and the driveway again on your left which is also at a stop light. Once your turn in to the lot, head towards the church and go to the right where you will be heading towards to the former school. You will pass a building which is a library but I am not sure if it labeled. You will continue to the school parking lot. When you find a yellow/green recycle paper bin you are at the correct building. We will be using the former school cafeteria.

If coming from the West, take the Hamburg exit at 75 and head to the lake and at the light at St. Francis, turn right and follow above directions from the church.
